

WELCOME TO THE SALEM'S WOMEN'S GOLF ASSOCIATION (SWGA)

We hope you will become an active member of our friendly group of women.

We love the game of golf and we love to have fun!

What We Do

From mid-May to the end of September we meet on Thursday mornings between 8 and 9:30 for weekly golf when the first tee is for women only. You can meet up with women of your choice or have the pro shop pair you with another golfer.

If Thursday mornings don't work for you, you are not alone. We will introduce you to other women who like to play on other days at other times.

If you like truly competitive events, we have a few of those, including our Ringer Tournament, our Member-Member Tournament, and in August our Club Championship.

When social distancing is not a concern, we often meet after golf in the Grill Room, the Pool House Café or Lower Terrace to enjoy a light lunch and continue socializing.

Our special events throughout the season include member-guest tournaments, season opening and closing parties, and a holiday party.

No Handicap, Low Handicap, High Handicap?

The SWGA welcomes women at all levels in their golf game. The pro shop offers great clinics for beginning golfers, also a great way to meet new friends. If you would like a golfing mentor, we will set you up with one. If you only like to play with golfers with a handicap of less than 10, let us know. We've got them too.

Communications

If we have your email on file (we hope you provided that to the club when you joined), you will get periodic updates on our tournaments and other activities.
